WE'RE HIRING

Head Coach/Team Director for our Optional Team

Are you looking for an awesome opportunity to lead a competitive gymnastics team in a positive, healthy and fun environment?

- We offer indoor heating and air conditioning for training comfort.
- Our 21,000-square foot building is the largest gymnastics facility in Tracy, California, allowing us to have equipment and areas designated for each of our programs.
- We have an amazing staff who love working with children and teaching gymnastics.

Job Responsibilities:

- Coach and instruct athletes, individually or in groups, regarding the rules, regulations, and proper use of equipment.
- Create program objectives and develop training plans.
- Provide resources and support necessary for staff to assist with athlete development.
- Maintain positive athlete and parent communication and ensure programs are effective, safe, positive and fun.

Qualifications:

- Previous experience successfully coaching athletes through Level 10
- USA Gymnastics Pro Membership and Safety Certification
- Professional demeanor and team player

Competitive compensation depending on experience
