

# NorCal Graduating Senior Packet

For the parent's  
of graduating seniors  
2018

Norcal honors its seniors each year in a small ceremony that is held right before the awards of the State Meet for that gymnast's level. NorCal provides flowers for this event. The flowers are given to the gymnasts by the parents as the gymnast's name is called. After this part of the ceremony a video is shown highlighting the graduating seniors.

***For all this to happen we need some information and media from you.***

**For the program and first part of the presentation (all levels).**

On the next page is a form for you and your daughter to fill out. It asks information about what college she is going to, if she has received a scholarship or not and other information about her. All this information is used to announce her at the ceremony at the State Meet. This information along with a head shot will be used in the program. You will need to mail this form with a head shot to **the state meet host for your daughter level. The head shot may not have a photographers name on the front or the back!** It is against copyright law to reproduce these pictures. If you don't have one without a photographer's name, we ask that you take one personally and include it. You may send pictures on CD if you would like.

Below is the list of the State Meet host for this year and their addresses.
