

**NORCAL Awards for State
Championships
Fall/Spring 2007-2008** rev.10-07

To all State Championship Meet Directors

Please fill out the enclosed form and send or fax it back 4 weeks in advance to ensure delivery by meet date. I have included an example sheet to help you with the form. Below I have listed a few other items to help you with your order.

- 1.) To help you determine how many awards you need to order you should get an estimate of the gymnasts that have qualified. The Zone Representatives can help you with the amount of gymnasts that have qualified so far. You may also want to call the gym/meet director that was the host for the previous years State meet and get input from them.
- 2.) Determine the amount of age groups per level. Use the NorCal Handbook, Minutes and USAG Rules and Policies for guidance.
- 3.) Determine how far you want to go with your awards. Do you want 1st- 10th or do you want to go to 1st –12th. **(You may want to order extra bronze medals for ties etc.)** Do the same for team plaques. **Note-It is easier to order the small individual team plaques after State Championships so that you can determine the exact amount of gymnasts on the teams. Make sure that you inform the coaches ahead of time.
- 4.) Use the prices below to get an estimate of your total cost which **will not** include shipping. After I receive the invoice from NorCal I will add shipping and send you a bill. It may take 6 to 8 weeks for me to get your bill out to you but it will get there.
- 5.) Prices for the awards and your financial statement estimate are as follows;

Event/A.A. Medals - \$2.49 each (subject to slight changes)

Team Plaques – NorCal pays for 1st through 3rd place Team Banners, and 4th through 6th place Team Plaques. Additionally, NorCal pays for 1st through 6th place Individual Team Member Plaques.

Prices for any additional plaques are;

Large 8 by10 inch Team Plaques = \$18.00 each.

Small 4 by 6 inch Team Plaques = \$4.45 each

Hope this helps! Thank You.

Kim Kor/NorCal Awards Chairman.
