

Assigning Procedures for NorCal Women's Gymnastics Meets

It is the Assigning Committee's goal to assign meets in such a way as to allow NorCal to host several competitive meets in a season that work for all the hosting clubs. That being stated, the following criteria will be followed:

Geographic Location - Every attempt will be made to spread meets geographically on any given weekend throughout NorCal.

Availability of Judges - 32 Judges are available to be assigned on any given weekend day for Compulsory season. That means only 4 meets can be assigned per day. For Optional season, only 24 judges are available. That means only 3 meets can be assigned per day. For Optional season, one meet will be allowed up to Level 10 and the other meets that day will be allowed up to Level 8 or Xcel. Any Optional season meet can have Xcel and Compulsory competitors.

Outside Facility Commitments - If a club has committed to a specific weekend in an outside facility, every attempt will be made to honor that commitment.

Length of Meet - If your club hosted a compulsory meet with over 200 athletes last year, you will be assigned a two day meet for the Compulsory Season. If your club hosted a compulsory meet with less than 200 athletes last year, you will be assigned a one day meet for the Compulsory season. If an additional day is required due to increased numbers, every attempt will be made to secure the additional judges.

Remember, when submitting a request for a compulsory or optional meet, please submit three acceptable dates in order of preference. This request needs to be postmarked no later than April 15.

Compulsory season 8 week window – From the weekend after Labor Day through the fourth weekend before Thanksgiving. This allows 3 weeks of State meets before Thanksgiving.

Optional season window – January 2 through the first weekend of March (subject to change due to Easter Weekend and changes to championship meet dates).
